### **SPAWAR Systems Center San Diego Awards Contract**

**SAN DIEGO** — Resource Consultants, Inc., of Vienna, Va., is being awarded a \$15,556,215 indefinite-delivery/indefinite-quantity type contract for in-service engineering agent (ISEA), engineering and technical support services for Naval satellite communications radio frequency systems. This contract will cover both ISEA and installation support for non-integrated shipboard installations. The support will include, at a minimum, the following six general support areas: (1) management support, (2) engineering support, (3) technical support, (4) Integrated Logistics Support, (5) fabrication support and (6) non-integrated shipboard installation support. This one-year contract includes four, one-year options which, if exercised, would bring the maximum potential value of this contract to \$79,043,918. The period of performance is from September 12, 2002 through September 11, 2007. All work will be performed in San Diego, Calif. Contract funds will not expire at the end of the current fiscal year. The solicitation was competitively issued through the SPAWAR e-Commerce Central web site with two offers received. The Space and Naval Warfare Systems Center, San Diego is the contracting activity (N66001-02-D-5028).
